Site's Purpose

Fantasy Football

We are here to serve you the best central digital website for the world's most-watched soccer leagues. To inform, engage, and connect soccer fans by delivering real-time match scores, fixtures, standings, and player statistics. To offer exclusive news, interviews, and video highlights and to provide official information on clubs, players, and competitions.

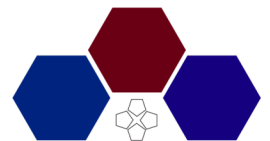

Audience

Football Fans(Primary Audience)

- Supporters of Premier League clubs from the UK and around the world.
- These users visit frequently and are emotionally invested in their favorite teams.

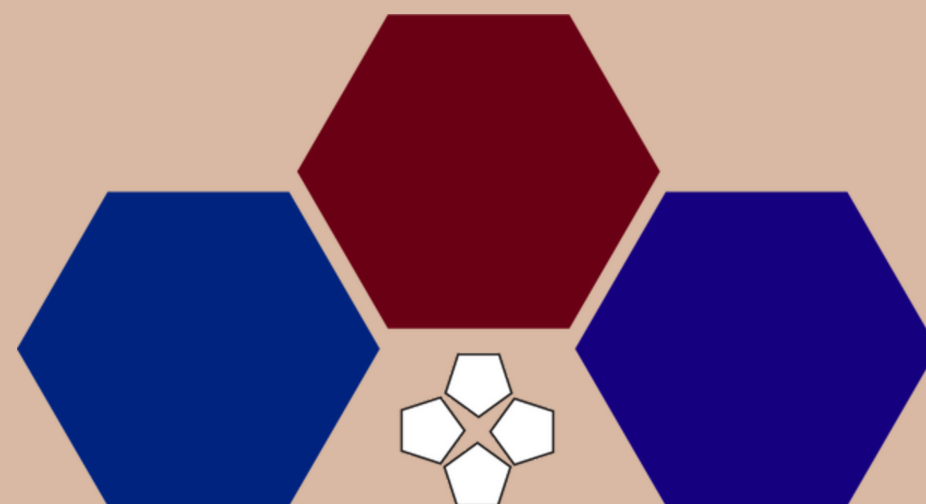

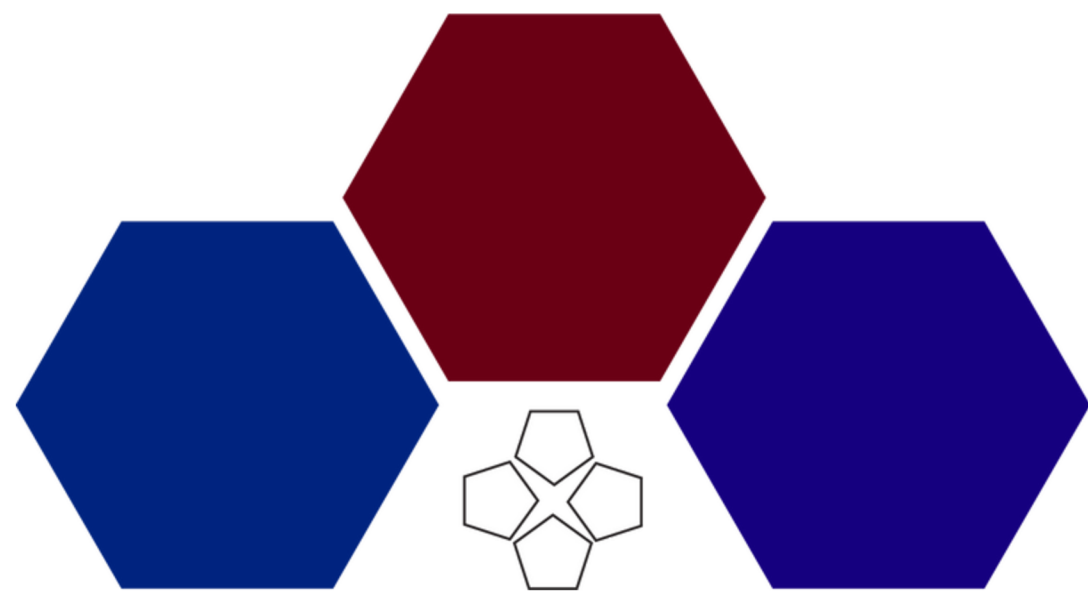

International Viewers

- Global audience members who follow English football as a premier sports brand.
- The EPL is one of the most-watched sports leagues worldwide, so accessibility and clarity are crucial.
